

Socks of the Galaxy (4ply)

Pattern by The Loveliest Yarn Company

I haven't seen my first boyfriend in almost two decades but I still listen to *The Eels*, a band I 'caught' from him. This pattern is named for their *Daisies of the Galaxy* album, as both the socks and the album are for when you need something a little different but very easy going.

Gusset Set up

Set up Round:

- 1. With RS facing, pick up and k 13 (14, 14) stitches through the slip stitch at the start of each heel flap row. Pick up 2 additional stitches between the heel and instep stitches (this will prevent the hole that often occurs). Place a marker after these stitches are picked up to indicate the new SOR**
- 2. Keeping the pattern correct for the LCP and working in stocking stitch outside of the panel, work 30 (32, 34) instep stitches. Place a marker to indicate the end of instep stitches and middle of round (MOR***)
- 3. Pick up and knit 2 stitches between the instep and the heel (matching the other side), then pick up and k 13 (14, 14) stitches through the slip stitch at the start of the heel flap rows.
- Knit to end of round, knitting through the back loop of the picked up stitches as you come to them.

Total stitches in the round: 78 (84, 88) stitches

You will now have three markers in place: Start of Round (SOR), Middle of Round (MOR) & one extra panel marker.

**SOR For the Right sock, this will now mark the start of the lace stitch panel.

***MOR For the Left sock, this will now mark the end of the lace stitch panel

Gusset

Gusset Round 1: Keeping the pattern correct for the panel and knitting all other stitches, work all stitches

around (for first Round 1 only, knit into the back of picked up stitches on both sides of the

instep).

Gusset Round 2: Keeping the pattern correct for the panel and knitting all other stitches, work all stitches

to the MOR marker. K1, ssk. Knit to three stitches before the SOR marker, k1, k2tog.

Repeat Gusset Rounds 1 & 2 eight (nine, nine) more times until 60 (64, 68) stitches remain.

Foot (Both Socks)

Foot Round: Keeping the pattern correct for the LCP and knitting all other stitches, work all stitches

around.

Work Foot Round until the foot measures 4.5cm / 1.75ins less than the desired finished length.

When coming to the end of the foot, check where you are in the chart. The aim is to finish after either row 11 or 23. Finish early if necessary and work in stocking stitch to the desired length; or keep the markers in place and work the last rows of the chart into the toe.

Toe

Toe Round 1: K1, ssk, knit to 3 stitches before the MOR marker, k2tog, k1, sm, k1, ssk.

Knit to 3 stitches before SOR marker, k2tog, k1.

4 stitches decreased

Toe Round 2: Knit all stitches to end of round.

Repeat Toe Rounds 1 & 2 five (five, six) more times until 36 (40, 40) stitches remain.

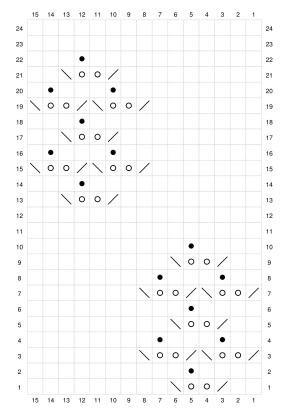

Repeat Toe Round 1 five (six, six) more times until 16 stitches remain.

Toe Graft

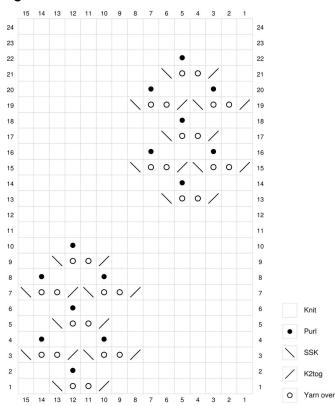

- 1. Slip the stitches between the SOR marker and the MOR to one needle
- 2. Move the other stitches to another needle
- 3. With these two sets of stitches against one another, graft heel stitches to instep stitches using Kitchener Stitch.
