# Stormy Seas Shawl

Rosie's Moments

Even though a stormy sea can be dangerous, I still love watching the waves crashing onto rocks, and the shoreline . This shawl reminds me of the huge waves that have been battering our coast.

Worked flat, this triangular shawl is knit from the widest point, and gradually decreased to the tip.

Shawl photographed was made using Rosie's Moments 90% merino, 10% Linen. (360/ 100g)

You Will Need:

- Rosie's Moments 100g 4ply yarn 360m
- Set of 4.5 mm needles
- Darning needle

Gauge:

18 sts and 22 rows = 4" (10 cm)
In Garter Stitch, blocked.

Pattern Notes:

It is important to do a tension swatch to achieve the correct gauge, as it may be necessary to move to a larger or smaller needle size, failure to do so could affect the size and drape of your shawl, and could lead to you running out of yarn.
